

## Quiz For Parents - The Effects Of Consequences

	Antecedent (The instruction)	Behavior	Consequence	Question	Behavior will increase or decrease in the future	Explanation
1	Parent ask child to go to her	Child runs away	Parent does not retrieve the child	When the parent calls her next time, will the child run away?	(Yes)↑ or (no) ↓	If the child knows her parent will not follow through, then she will run away again next time.
2	Parent ask child to do his homework	Child does his homework	Parent praise child for doing homework	Will the child do his homework in the future?	(Yes)↑ or (no) ↓	The child receive a positive reinforcer for doing her homework, so she will likely do it again in the future.
3	Child is supposed to wash dishes based on the predetermined schedule	Child does not do the dishes	Child receives the dessert that she was supposed to receive for doing the dishes	Will the child wash the dishes in the future?	(Yes)↑ or (no) ↓	If the child knows she can receive the reinforcer (dessert) without washing the dishes, she will not do the dishes in the future.
4	Dad ask child to stop yelling	Child hits Dad	Dad walks away	Will the child stop yelling when his Dad ask him to next time?	(Yes)↑ or (no) ↓	The child learned he can stop his father from telling him what to do and make his father leave him alone if he hits him.

5	Based on the class rules explained to the child, she is supposed to touch classmates nicely	Child scratches classmate	Child goes home and her parent allows her to eat the special snack she is supposed to receive for following the rules at school	Will the child scratch her classmate again at school in the future?	(Yes)↑ or (no) ↓	Why follow the rules when she can still have her reinforcer.
6	Grandfather tells the child she cannot have ice cream because she did not listen to him	Child tantrums	Grandfather gives her the ice cream because he doesn't want to deal with the tantrum.	Will the child tantrum in the future if she does not get what she wants?	(Yes)↑ or (no) ↓	The child learns tantruming will get her what she wants. She will try it again next time.
7	Based on predetermined rules, the child was not allowed to watch videos because he would start stimming	Child gets angry	Parent lets child watch videos because she wants the child to be in a happy mood	When the child cannot watch videos in the future, will the child get angry?	(Yes)↑ or (no) ↓	Giving the child what he wanted taught him getting angry will give him what he wants.
8	Parent tells child he cannot watch YouTube this afternoon because he did not follow directions	Child yells loud and cries	Parents tells child no YouTube but he can watch movies	Will the child yell in the future when told he cannot watch YouTube?	(Yes)↑ or (no) ↓	Watching YouTube and watching movies are both positive reinforcers for the child. The child learns yelling will allow him to negotiate and maybe not get him the exact reinforcer he likes but possibly another one that he likes.
